

**FORM A  
RESIDENTIAL  
(FULL TITLE AND SECTIONAL TITLE USED  
FOR RESIDENTIAL PURPOSES)**

## DIRECTIONS TO COMPLETE THE OBJECTION FORM

### 1. GENERAL BASIS OF VALUATIONS

The value of each property as it appears in the General Valuation Roll must be valued in terms of its Market Value which is defined as the amount the property would have realised if sold on the date of valuation in the open market by a willing seller to a willing buyer.

### 2. FACTORS, AMONGST OTHERS, THAT MAY LEAD TO THE DISMISSAL OF THE OBJECTION

- **Incomplete objection forms**  
Make sure that the objection form is completed in full as this form contains the minimum information for a valid objection.
- **Declaration page not signed**  
Attention is hereby drawn to section 42(2) of the act which states that where any document, information or particulars were not provided when required in terms of subsection 42(1) of the act and the owner concerned relies on such document, information or particulars in an appeal to an appeal board, the appeal board may make an order as to costs in terms of section 70 of the act if the appeal board is of the view that the failure to so have provided any such document, information or particulars has placed an unnecessary burden on the functions of the municipal valuer or the appeal board.
- **Incorrect property description**  
The property description as it appears on the Title Deed must be correctly entered on the objection form.
- **Indicating a percentage increase in value by comparing the previous value with the new value.**  
This is not a valid reason and does not serve as appropriate market evidence and will be rejected as an invalid objection. The objective is to determine market value as of the date of valuation.
- **Increase in, or affordability of Rates and Taxes**  
The determining of rates tariffs is administered through different legislation and does not form part of this objection process.
- **Insufficient market evidence to substantiate market value**  
It is required that the objector provide the necessary market evidence to support the required change in value.
- **Objection to multiple properties on one objection form**  
A separate objection form must be completed for each individual property.
- **Comparing the value of one property in the valuation roll to another property**  
This is not a valid reason and does not serve as appropriate market evidence and will be rejected as an invalid objection. The objective is to determine market value as of the date of valuation.

### 3. SUPPORTING DOCUMENTATION

It is highly advisable to attach the following documentation to the objection form. This will assist the valuer in making a more informed decision on the objection.

#### 3.1. RESIDENTIAL PROPERTIES (Form A)

- Copy of building plan or layout plan with dimensions
- Any other supporting documentation

#### 3.2. NON-RESIDENTIAL PROPERTIES (Form B)

- Certified Rent roll, property income schedule, and schedule of operating expenses
- Lease agreements
- Any other supporting documentation

#### 3.3. AGRICULTURAL PROPERTIES (Form C)

- Copy of Title Deed
- Copy of Farm Map indicating the extent and location of the different land uses
- Surveyor General Diagram
- Water Entitlement Certificate
- Any other supporting documentation
