

**PUBLIC NOTICE NO: 52\_2024-2025FY**

The municipality would like to inform all prospective bidders and the general public that all official information regarding advertised bids is published exclusively on the municipal website and in newspapers circulating within the municipality.

We strongly caution bidders not to rely on any information from unofficial sources, including social media platforms, as there have been instances of false and misleading information being circulated, such as a notice of Intention to award.

For accurate and up-to-date bid information, please visit our official website or refer to the designated local newspapers.

The municipality will not be held responsible for any actions taken based on information obtained from unauthorized platforms.
